MAGAZINES

Our school's magazine fundraising campaign continues in the fall. Please wait to purchase all new, renewal, or gift subscriptions until the fall. Our students will be selling subscriptions to support school projects and activities. Thank you for your support.

JUNIOR AND SENIOR HIGH ACADEMIC AWARDS

The reason we hold academic awards evenings in the fall is that every year we have students who have academic averages within a percent of each other. When deciding on who should win the top honors for each subject, it is important that we take into consideration the final June marks. It is imperative that the people who justly deserve the award win it. For that reason, the Junior High and Senior High Awards will be held in October.

THANK YOU TO ALL OF OUR VOLUNTEER COMMUNITY MEMBERS AND PARENTS

Thank you to all of you who assisted BCHS in various capacities. We appreciate all that you have done for our students. Without your participation, some activities may have been cancelled. Thank you and we hope to see you next year. Thank you to our parents who have served on our parent council.

TRACK AND FIELD

This is a busy time for our athletes. All of our junior high students will be participating in the Ron Pate Memorial Track Day on June 10. If you recall, Ron was a junior high Counselor for many years and he was an advocate for track and field. We wish all of our junior and senior high athletes success in their track meets.
