A. MODE OF TRANSPORTATION: School Bus Volunteer Vehicle Other (specify)

PARENTS, please note: Please call (780) 674-8509 to ensure that the bus driver is aware of any concerns or conditions specific to your child.

B. ELEMENTS OF RISK:

Educational activity programs, such as hiking and outdoor activities involve certain elements of risk. Injuries may occur while participating in these activities. The following list includes, but is not limited to, examples of the types of injury which may result from participating in the fall Natural Science Field Camp:

List all Elements of Risk:

bruises, sprains, fatigue, pulled muscles

The risk of sustaining these types of injuries result from the nature of the activity and can occur without fault of either the student, or the school board, its' employees/agents or the facility where the activity is taking place. By choosing to take part in this activity, you are accepting the risk that you/your child may be injured.

The chance of an injury occurring can be reduced by carefully following instructions at all times while engaged in the activity.

If you choose to participate in Natural Science Camp on Sept. 27 - Sept. 30, 2018, you must understand that you bear the responsibility for any injury that may occur.

Pembina Hills Regional Division No. 7 does provide student accident insurance on behalf of the students participating in this activity. The student accident insurance policy is purchased through Industrial-Alliance Pacific (Box 5900, Vancouver, BC V6B 5H6) and policy details are available at the school, board office and/or by calling Industrial-Alliance Pacific at 1-800-556-7411.

C. ACKNOWLEDGEMENT

WE HAVE READ THE ABOVE. WE UNDERSTAND THAT BY PARTICIPATING IN THE ACTIVITY DESCRIBED ABOVE, WE ARE ASSUMING THE RISKS ASSOCIATED WITH DOING SO.

Signature of Student: _____

Date: _____

Signature of Parent/Guardian: _____

Date: _____

D. PERMISSION

I give _____ permission to participate in the Natural Science Camp
 (name of student) (description of activity)

To be held on or about Sept 27 - Sep. 30, 2018
 (date)

Signature of Parent/Guardian: _____

Date: _____

This information is collected under the Authority of the *Freedom of Information and Protection of Privacy Act* Section 33 c. This information will be used to identify practices or conditions which may affect the safety and care of the students. For further information you may call the Principal or FOIP Coordinator at 674-8500.

Completion of CTS Natural Science Education, and making a difference.

Accommodation and Food:

All technical camping gear is supplied, as is food (with the exception of stops for snacks and a washroom to and from Hinton).

Students will be staying at Black Cat Ranch (<http://www.blackcatguestranch.ca/>) for 3 nights. The Black Cat Guest Ranch is one of Alberta's oldest, established in 1935, and under the present ownership since 1970. The smoke-free lodge is located just outside of Jasper National Park.

Participant Responsibility:

Each participant is responsible for his or her own learning. Participants will get out of the program what they put in. Instructors will provide learning opportunities on an ongoing basis.

Participants are responsible for daily activities. These include, but are not limited to:

- Participating in all sessions
- Taking responsibility for daily leadership
- Personal cleanliness and hygiene
- Group and team morale
- Completing and handing in assignments by the end of the program
- Bring \$20.00 for meals on the way to and from Black Cat Ranch

Personal Packing List

Wind pants/Snow pants
2 pairs mitts or gloves
Long underwear
Warm loose shirt for sleeping
Warm loose pants for sleeping
Bath Towel
Personal Medications
6-7 pair light socks
4-5 pair heavy, warm socks
Light wool sweaters
Toques/hats

Adequate shirts and pants for outside
Adequate footwear for outside
1 or 2 warm shirts
Hand soap and wash cloth
Notebook and pencil
Warm winter coat
Changes of Underwear
Toothbrush and paste

Why do you need all this stuff?

Always wear layers. You should have a base layer: something thick that wicks sweat away from your skin. A second layer: this will take the sweat away from the wicking layer, usually a fleece top or wool sweater. The outer layer can be anything that suits the weather, a wind jacket, rain coat, winter jacket.
