Student Acknowledgements

I am completing this application voluntarily, I acknowledge the information provided herein may be shared by CAREERS with teachers and employers for the purpose of an internship placement. While CAREERS strives to support and place all applicants, I am aware my application does not guarantee an internship placement.

For applicants under the age of 15:

I confirm that my parents are aware of me submitting this application and that they have consented to me doing so.

I consent and agree to these terms.

In accordance with their company Health and Safety or Code of Conduct requirements, some employers may request applicants to provide proof of certain vaccinations (including COVID-19 vaccination) or to participate in drug/alcohol screening prior to employment. If you do not agree to participate in such screening or are unable to provide proof of vaccination, your application may not be successful with opportunities and/or employers who have these requirements. This might limit the internships available to you.

I understand that an employer may request drug/alcohol screening and/or proof of vaccination.
