

CAREERS, in collaboration Veldhuisen Construction LTD, is looking to hire two high school students, 16 years of age or older, to join their team as a Carpentry apprentice. Are you a high school student or recent graduate with a passion for construction and a desire to jumpstart your career in residential home building ? Our team is excited to offer an incredible opportunity for a motivated individual like you to join us as a Construction Apprentice. If you've taken construction classes and dream of enrolling in a carpentry apprenticeship program, this is your chance to gain hands-on experience and learn from industry professionals. This position will start in the summer with full time employment.

Key Responsibilities:

- Assist experienced carpenters with various tasks related to ICF foundations, framing, and exterior finishing.
- Learn and develop essential carpentry skills under the guidance of seasoned professionals.
- Maintain a clean and organized work environment, prioritizing safety at all times.
- Demonstrate a strong work ethic, willingness to learn, and eagerness to contribute to our team.
- Take initiative to expand your knowledge and experience in residential construction.

Requirements:

- High school student with a genuine interest in carpentry and construction.
- Completion of construction classes or relevant coursework is preferred.
- Enthusiasm for learning and willingness to commit to a carpentry apprenticeship program.
- Basic knowledge of construction tools, techniques, and safety practices.
- Strong communication skills and ability to work effectively as part of a team.
- Punctuality, reliability, and respect for colleagues and supervisors.
- Must have completed your HCS 3000 course.
- Be able to drive to get to and from job sites for work.

Benefits:

- Opportunity to gain valuable hands-on experience in residential construction.
- \$15.00-\$18.00 per hour to start.
- Mentorship and guidance from experienced carpenters to support your career development.
- Flexible work schedule to accommodate your school commitments.
- Competitive compensation and potential for advancement within our company.
- Access to training programs and resources to enhance your carpentry skills.

- Supportive work environment focused on your growth and success.

If you're a motivated high school student ready to take the first step towards a rewarding career in carpentry, we want to hear from you! Join our team and embark on an exciting journey towards becoming a skilled carpenter. Apply now to seize this opportunity and unleash your potential in the construction industry!

The deadline to apply is May 16th 2024

To apply, please contact your off campus coordinator with your application, cover letter and resume.
