- Preparing job sites and cleanup of areas
- Measure and mark metal and other materials
- Set up and operate tools, which may be computer numerically controlled, to perform precision machining operations
- Fit parts to mechanisms and verify dimensions
- Taking direction from journeypersons for various tasks
- Performs all work in accordance with established safety procedures.

Special Skill Requirements:

- Motivated and honest student
- Self-starter with the ability to work in a team environment.
- Willing and able to learn, adapt to change and demonstrate flexibility
- Puts safety first

Knowledge and Experience Requirements:

- Registered as a high school student.
- No experience necessary but a willingness to learn and have an interest in the trade.

Special Conditions:

- Wage: \$18.00 per hour
- Completion of HCS 3000 (HCS 3010 is optional)
- Drivers license is preferred

Application Deadline- September 10th, 2025

- Apply through your school's Off Campus Coordinator with your application, cover letter and resume
