

Gateway Research Organization 2026 Ag Research Intern

Gateway Research Organization (GRO), in collaboration with CAREERS, is looking for a high school student to join their team as a part time Agriculture Research Intern. The working hours would vary:

- In School – two half days a week, from 12:30 pm to 4:30 pm
- Summer – three full days a week, from 8:30 am to 4:30 pm

The wage is \$15.00-\$18.00 per hour dependent on experience and education.

GRO is based out of Westlock, Alberta and provides support to several surrounding counties by hosting events and executing plots throughout the region.

Job Duties:

- Data collection and entry on field research trials
- Assist with maintenance tasks of equipment, vehicles, field sites, pastures, yard and fences
- Harvest sample processing
- Work as part of a team
- Perform all work in accordance to safety procedures and quality protocols
- Help with events, tours, workshops, field days, and other projects as needed.

Special Skill Requirement:

- Attention to detail and follow instructions
- Willingness to work outdoors in all conditions
- Walk and work in uneven terrain
- Able to maintain focus while performing repetitive tasks
- Puts safety first

Knowledge and Experience Requirement:

- Registered as a high school student

Special Conditions:

- Ability to get to/from GRO office
- Competition of HCS 3000 (HCS 3010 is optional)
- Must be registered as a high school student

Application deadline – May 22

Start date is July 2nd, 2026

Apply through your school's Off Campus Coordinator with your cover letter, resume and application.
