

Job Specification: RAP Electrician position

Stalwart Electric, in collaboration with CAREERS, is seeking a high school student, 16 years of age or older who has their class 5 drivers license to enter the Registered Apprenticeship program as an Electrician. This position would Monday through Friday, during the mornings, starting July 6th, 2026. The student must live no further than 30 kilometers away from Westlock to apply.

As an apprentice, you will work under the supervision of journeypersons to learn all aspects of the electrical trade — from installation and troubleshooting to maintenance and customer service. You'll gain hands-on experience!

Job Duties:

- Assist with installation, repair and maintenance of electrical systems
- Support journeypersons and foreman on job sites
- Learn and apply electrical codes, safety practices, and company procedures
- Maintain tools, materials, and equipment in good condition
- Demonstrates professionalism and a strong work ethic at all times
- Understands and follows company and regulatory safety regulations and work to a high level of safety.
- Accountable for safe work practices applicable to the job.

Special Skill Requirements:

- Demonstrate communication (verbal and written), interpersonal and team skills
- Self-starter with the ability to work in a team environment.
- Willing and able to learn, adapt to change and demonstrate flexibility
- Class 5 driver's license required
- Steel Toe boots required, gloves and long pants
- HCS 3000 required
- CSTS required

Application Deadline: June 11th, 2026

Start Date: July 6th, 2026

Please apply through your off campus coordinator with your application, cover letter and resume. Only those selected for an interview will be contacted.
